

Cheese Wheel Excellence Award!

Everyone should be aware of the Cheese Wheel 450 Excellence Award. A traveling trophy passed on year to year to the Cheese Wheelers that show the most heart and enthusiasm for the CW450.

2009 marks the Fourth passing of it. The first three winning vehicles, driver and co-driver are inscribed into the award signifying their place in CW history. Winners so far include Brian and Beth Apple with their 2000 Crown Victoria Police Interceptor in 2006. Geraldine Cross and Angela Hilbert won with their vinyl stickered VW Beetle. And Gary Schultz rocked a Hot-Wheel inspired design on his Saab 9-3 Turbo.

There are no limits to your Cheese Wheel dedication... Throw on your favorite costumes, wigs, or some crazy graphics. Basically, if you show us what you got – then you're a candidate to win!!!

In addition to your place in Cheese Wheel history, you get to keep the award for one year and are also allowed to register for free for the following year's CW450!!!
